

Gurudeva sarana mem ayi, aba to lo mohim apanayi
O Gurudev! I surrender to You. Please accept me.

kachu bhemta samga nahim layi, khali jholi lai ayi
I have come without a gift. I have brought only an empty container.

amsuvana mal alai ayi, do bigari mori banayi
Accept my garlands of tears, and rectify my pitiable condition.

mohim bhukti mukti nahim bhayi, caha yugala carana saranayi
I desire neither *bhukti* or *mukti*. I want only to surrender to Your lotus feet.

lakha caurasi cali ayi, kahum palahum kala nahim payi
Travelling since time immemorial in 8.4 million forms, I have never had any rest even for
a moment.

maya ne hari bisarayi bisarayi, guruvara ne ye da dilayi
Maya made me forget God; Gurudev reminded me of Him.

maya ne mara lagayi, guruvara ne kamtha lagayi
Maya gave me a sound beating; Gurudev embraced me lovingly.

maya ne pyasa barhayi, guruvara ne pyasa bujhayi
Maya increased my thirst; Gurudev quenched my thirst.

bhava sagara thaha na payi, guru ne bhava sindhu su khayi
I could not see the end of the ocean of *Maya*. My merciful Guru dried up the ocean of
Maya.

saranagati raha dikhayi, guruvara para bali bali ja yi
I sacrifice myself time and time again on my merciful Gurudev, who showed me the path
of self-surrender.

jaga janami janami dukha payi, aba guru ki lai sara nayi
After being tormented lifetime after lifetime, now I have surrendered to the Merciful
Master.

tu ja 'Krpalu' saranayi, hari parakhata bhuja phail ayi
Says Shree Kripaluji, "Surrender to God, who is waiting for you with outstretched arms."
